Bizzparty (©2016 Sam Francisco King-Of-Rock)

Transfer me into the 22nd century
just to be where all the bounds are gone away
Let me see to tell the students in academy
stories about 22nd century
There's no sadness
sadness was a bug
There's no badness
but a right of luck
stroke your pony
play with your cony
in the better 22nd century

Follow me into the 22nd century
look and see that all the bounds are gone away
turn the key to boost the time machine's velocity
visiting 22nd century
There's no money
money causes pain
Milk and honey falls instead of rain
love is a duty
Any-one's a cutie
here in the better 22nd century

Come to me into the 22nd century
wait and see
until your bounds are gone away
suddenly it will be written in your memory
lifetime in 22nd century
Future's calling
Answer was a mail
self-installing life as fairytale
move your body
get up to study
all about 22nd century

This is the craziest party now
followers will like you on this party
Anybody's life's part of the bizzparty
in unknown space
Come on, come on come on,

Buying The Bad Bank - Arrangements Of The Boom (© 2010 Sam Francisco KING-Of-ROCK)

No money to pay
no money to play
but money to stay all fucking day
No money to lose it
no money to use it
But money to choose
the return on investment
by changing the bill to invoice of a hit

Amazing grace
I'm buying a bad bank
without a trace, investigated by a bad gang
The price is cool, to cool I can't stand it
The future is now - but the question is how we're gonna brand it

As a private, small man
who says „Yes I can!“ - I'm a flexible fan in a government's plan
I won't let you down, no, my money's around, so,
withou competition, I just found my mission
when closen accounts grow

Amazing grace
I'm buying a bad bank
without a trace, investigated by a bad gang
The price is cool, to cool I can't stand it
The future is now - but the question is how we're gonna brand it

If your company's ill - or you company's dead
don+t cry for a skill it never had
Your stocks are my pension - in another dimension
If stocks are the treasure the keys are the mesure
And that's my invention

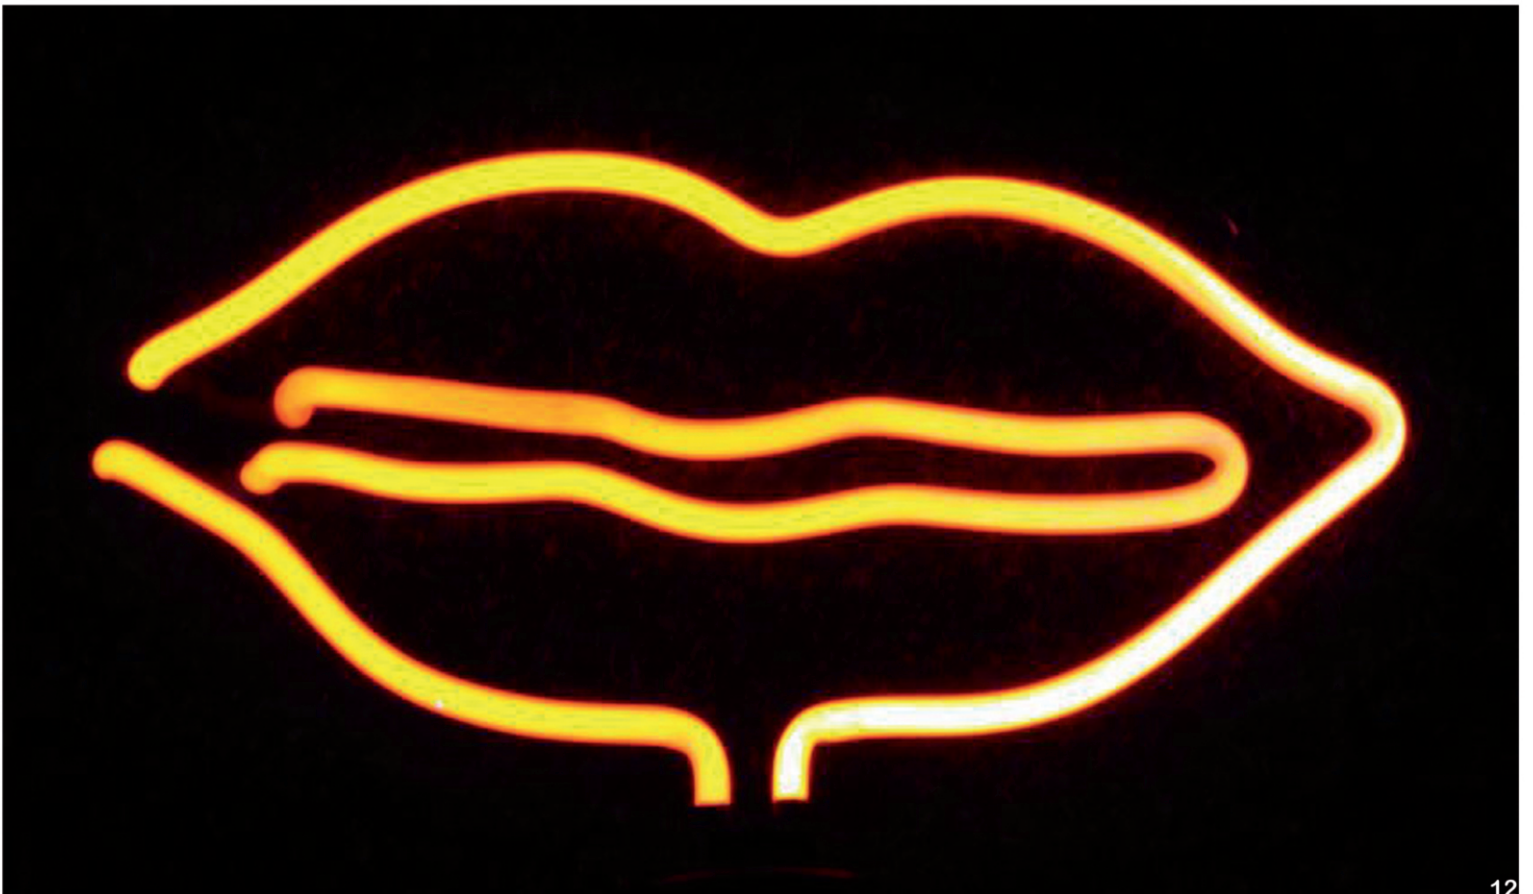

Amazing grace
I'm buying a bad bank
without a trace, investigated by a bad gang
The price is cool, to cool I can't stand it
The future is now - but the question is how we're gonna brand it

Kiss Factory (©2012 Sam Francisco KING-Of-Rock)

Kissing is fun, kissing is good,
Kissing is sexy – let’s do if we should,
I’ve got a new car and one Million Dollar
- together with my lady I’m a star, aha.

Love is my friend telling me what to do,
Kisses assist me to put love to you
The worst kissing case is a wrong kissing place
Don’t listen to the people on your party!

Love is just the only thing that matters to me,
I’m a kiss factory
And I love it to be!
I kiss you once and you kiss me twice
- perhaps I’m not to cool to melt your ice

All that I do is all that I want,
If you regret it – I tell you, I don’t!
A kiss is a kiss, you know, it’s my bizz,
and it’s a longer way to Tipperary

I’m a business-man and my business-plan
is to kiss you, my lady, as much as we can
our final contract convinces me to act
-so many paragraphs have to be checked,
aha..

Love is just the only thing that matters to me,
I’m a kiss factory
And I love it to be!
I kiss you once and you kiss me twice
- perhaps I’m not to cool to melt your ice,
Jdabadabib...

Love is just the only thing that matters to me,
I’m a kiss factory
And I love it to be!
Kiss me once or kiss me twice
- perhaps I’m not to cool to melt your ice

God Bless The Champ (©2008 Sam Francisco KING-OF-ROCK)

The game is over now
At the end of the show
the winner takes the benefit, the loser's to go
The last award attracts a kind of heard attack
the greatest one is gonna be the universal crack

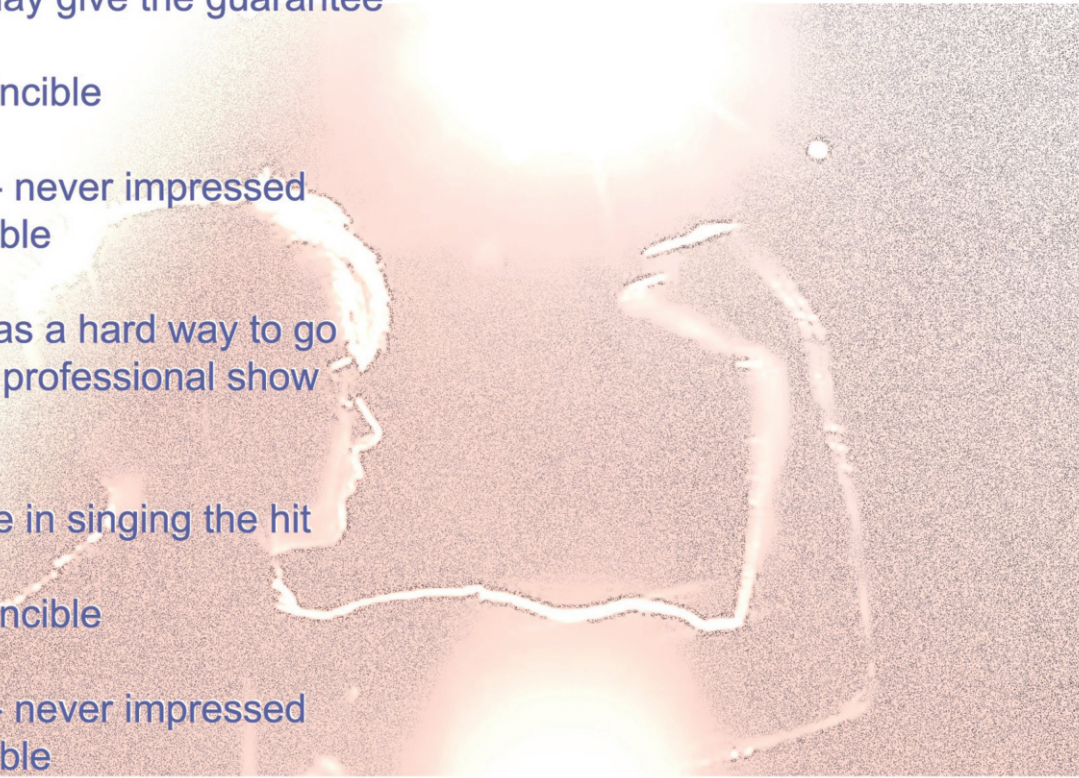

God bless the champ - invincible
Ever lasting principal
The better one is the best - never impressed
by good advice to be sensible

It will be the gratest party in the history
And the move goes on eternally
It's gonna be the best thing in our memory
And the type of the hype may give the guarantee

God bless the champ - invincible
Ever lasting principal
The better one is the best - never impressed
by good advice to be sensible

The match is over now - was a hard way to go
but, anyway, it was a quite professional show
And if the budgets fit
we'll make a film about it
for future generations come in singing the hit

God bless the champ - invincible
Ever lasting principal
The better one is the best - never impressed
by good advice to be sensible

No Commercial (©2016 Sam Francisco KING-Of-ROCK)

I never drink Rum and I never drink Gin
but any pool bar where I have been
there was a Coke sign outside – and inside the pool
I'm falling out of my rule:

I'm diving and surfing, doing a one-man- laola
on the top of the action having a Coca Cola
and the pool water's clear and the Coke is black
the real things always come back!

Tropical cocktails and sun chairs of gold
are not as cool and smart as a cold
cold coke on the back of my delivery van
that's where I show what I can:

I'm diving and surfing, doing a one-man- laola
on the top of the action having a Coca Cola
and the pool water's clear and the Coke is black
the real things always come back!

Life's a commercial, like any-one knows
but the spur of the moment's a country rose
drinking COKE COKE COKE in a saloon
just watching me, what I'm doin':

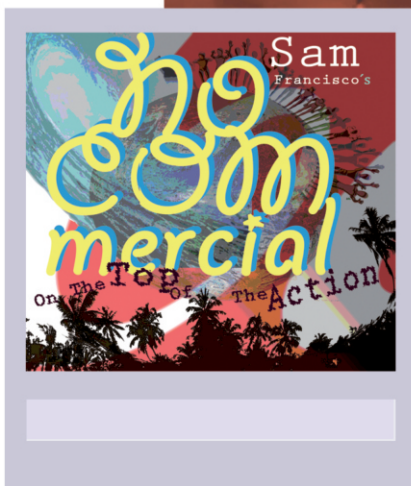

I'm diving and surfing, doing a one-man- laola
on the top of the action having a Coca Cola
and the pool water's clear and the Coke is black
the real things always come back!

By commercial affection
The cause that
retreats
on the top of the action
in a tropic connection
of the paradise section
Sporty rockin' impaction
do the top of the action
with refreshing erection
by the power detection
Have a BEST OF Collection
love and fun in perfection
and the grooving injection
at the top of the action
Got a sunny direction
on the top of the action
never ending attraction
and a cool satisfaction

**A few words in defense of "I THINK IT'S GOING TO RAIN TODAY (Party vsn.)"
(dedicated to any-one thinking Randy Newman songs weren't universal):**

While Randy Newman's original version is said to express sadness of a personal, lost love turning in beautiful melancholy and then into signs of more positive feelings in direction of hope, Sam Francisco's "party version" of "I Think It's Going To Rain Today" transforms the song completely into another, contrary world: In BIZZ PARTY context interpreted and put in hard beats and commercial sounds, the song mutates into a hard common social criticism extending to the modern world - in which poor and rich communities are separated more and more. Morbid and broken quarters of cities exist in the neighbourhood of business miles, financial districts and High Society, where fake smiles and feigned kindness are overflowing, but loneliness is the truth, showing them as morbid and broken, too. People sell their friends for money rains and dance in unreal parties for more cash.

Going that way, "I Think It's Going To Rain Today" itself becomes a danceable party hit, using the typical ingenious ambiguity of Randy Newman's lyrics and melody in a completely new way - but creating an oppressive scene in the end just like Randy Newman himself does in so many of his songs for people who understand.

In this way, the perhaps already most covered Randy Newman song ever goes first time capturing the new reality, transferred from very intamous into very common context.

As part of Sam Francisco's new BIZZ PARTY album the song is the only song ever covered by Sam, who made many more than 100 songs by his own. It's a great tribute to Randy Newman from one of his greatest fans. And, with a twinkle in his eyes, the "Ideal International Rock Star" Sam Francisco adds his official statement: Any real great singer in the world published at least one Randy Newman cover song during his life!

I Think It's Going Go Rain Today (© 1968 Randy Newman)
PARTY VERSION 2016

Broken windows and empty hallways
A pale dead moon in the sky streaked with gray
Human kindness is overflowing
And I think it's going to rain today

Scarecrows dressed in the latest styles
With frozen smiles to chase love away
Human kindness is overflowing
And I think it's going to rain today

Lonely, lonely
Tin can at my feet
Think I'll kick it down the street
That's the way to treat a friend

Bright before me the signs implore me
Help the needy and show them the way
Human kindness is overflowing
And I think it's going to rain today

HE wears sun glasses.

HE's always bad tempered.

HE misbehaves.

HE's depressive

- but: **he's SO sweet.**

AND: Sam Francisco's got HIS OWN **GREAT** LEGEND:

Some people say Sam Francisco was born in the late seventies of the last century.

It's confirmed that, for a long long time, Sam Francisco concealed his obsession with songwriting.
The legend says that his outing was when he won the web site "king-of-rock.com" in a tombola.

Other legends say that he had always been the one and only King-Of-Rock alive and that it was
bullshit to say there was any period in his life without singing. These legends say he even started
singing when he was less than one year old. Photos confirm that.

According to current sources, Sam Francisco's existence is the result of a science fiction like incident.

The rest of the story is known.

*Since some years, Sam lives in Germany
in the near of Cologne,
with diverse relatives in New Mexico/U.S.*
